MEMORANDUM TO THE COMMITTEE ON APPELLATE RULES

At the November 1962 meeting the Committee resolved to confine its recommendations in the area of review of administrative agency orders to matters regulated by the Uniform Rule now governing review of such orders. The enclosed material contains suggested drafts of six rules (Rules 20-25) regulating review of agency orders. It is suggested that the final form of these rules comprise Title IV: Review and Enforcement of Orders of Administrative Agencies, Boards, Commissions and Officers of the Committee's recommended rules.

The drafts do not effect significant changes in present practice, although one such change respecting the petition for review is suggested. The drafts represent (1) a rewriting and reorganization of the Uniform Rule to conform its provisions to the form of statement used in the general rules; (2) integration of certain provisions of 28 U.S.C. Sec. 2112, enacted since the Uniform Rule was last amended; and (3) changes suggested by correspondents.

Sincerely Yours,

  
Bernard J. Ward
